RE: Road to New Normal @ CSPA and Flexi-Buzz

Dear Parents,

After meeting with the Casuarina Street Primary School Board on Wednesday evening, I wanted to take the opportunity to provide you with some important updates as term two draws to a close.

COVID-19 Measures

Casuarina Street will continue to be guided by the Education Department when deciding upon our operating guidelines. As such I can provide an update on the following measures.

- Handwashing and sanitising stations will be standard practice at CSPA.
- We will appoint a COVID-19 safety office to monitor all hygiene and preventative measures.
- All visitors to the school to be approved by the Principal and must sign in at the front office and sanitise their hands before entering a classroom.
- Parents are to wait outside classrooms and only students and staff are to enter classrooms.
- Parents can volunteer at school in the following ways:
 - Canteen volunteer
 - Library volunteer
- In term three we will host a number of school events in which parents will be invited to participate.
- Student Led Conferences will occur with Social Distancing measures in place.
- Camps and Excursions will be planned for students in Term 3 and specific details will follow closer to the time.

Flexi-Buzz App

We have been notified that the **Flexi Buzz App will cease to be operational from June 30th**. The migration to a new service called 'Flexi Schools' will happen during the school holidays. Current Flexi Buzz users will receive an email with a procedure to activate a new Flexi Schools account. In the interim period I strongly encourage you to visit our school website @ casuarinastreet.com.au

Should you have any queries regarding the update please do not hesitate to contact the Front Office. I hope you have a relaxing and refreshing break.

Yours in Education,

Nick Lovering

Principal

Casuarina Street Primary School
